

WSBC welcomes both the “scattered” and the “gathered” church to remain connected and active. Thank you for your complete cooperation, patience and grace given as you personally prepare to gather at WSBC each week.

**What to expect at WSBC.**

As a result of the pandemic (COVID-19), it is necessary to make some changes in how we are used to gathering for worship. We must be intentional in providing reasonable guidelines and precautions for the good of your neighbors who attend and participate in our worship services. As such:

- Please monitor your (and your family members’) **health and temperature** and sanitize your hands before attending an on-site WSBC worship service.
- **Please stay home** - if you are sick, if you (or any family member) have a fever, if you have recently tested positive for COVID-19 with or without symptoms, or if you have had any close contact with a person who has been confirmed, suspected or is symptomatic of COVID-19.
- Plan to **arrive early** on Sunday mornings as doors will open 20 minutes before service times. (Service times are 9 and 11AM).
- Please **wear your own mask** while at WSBC.
- Please observe and maintain all **social distancing (6 feet)**, in the sanctuary *but also while coming and going*. Please, distance 6 feet from others, refrain from handshakes and hugs, avoid fellowshiping in hallways and the narthex, and minimize touching all surfaces.
- Help us accommodate both services. Please, do not linger in the sanctuary or narthex. **Fellowship with friends and family outside the building** along 45<sup>th</sup> Street and then walk around the church to the parking lot, bank or wherever you parked your vehicle.

# MISSION FOCUS

## JEAN AND JOY THOMAS

[Jlemecthomas@hotmail.com](mailto:Jlemecthomas@hotmail.com) and/or [joylthomas@msn.com](mailto:joylthomas@msn.com)

Jean and Joy minister in Fond-des-Blancs, Haiti, where they provide primary education, church planting, evangelism, and community economic development through the Haiti Christian Development Fund (HCDF).

Haiti is the poorest country in the western hemisphere, the sixth poorest in the world, and lies only 700 miles off the coast of Miami. The effects of Covid-19 are deteriorating an already egregious situation. There are hundreds of new cases every day because of limited testing and famine brought on by low imports of food, aid, and supplies. Famine is a mainstay in Haiti, but it is getting worse due to Covid-19 and severe droughts.

Currently our Jubilee farm is the only farm with growing crops as every other farmers' crops in the surrounding community and beyond are dead or dying.

The good news is HCDF is just \$60k shy of reaching their fundraising goal of \$260K to cover the cost of purchasing 130 acres of available farmland. Purchasing this land will enable HCDF to make significant land improvements that will lead to better harvests and higher crop yields. The recent addition of a new mobile sprinkler can irrigate six acres with water.

To break the cycle of poverty, HCDF has been offering a quality education to the children of the community since the 1980s. L'Exode schools, pre-school through high school, have an excellent educational program as evidenced by the consistent exemplary student exam scores on the National tests. Parents are eager to enroll their children in the L'Exode schools, which currently include over 1,500 students in HCDF-supported schools across seven campuses. All students depend on financial assistance to attend L'Exode schools and student sponsorships are available on the HCDF website [www.hcdf.org](http://www.hcdf.org)

Construction of the new pre-school building continues, and the assembly of the prefabricated building materials are on hand and awaiting the approaching completion of the foundation.

As we pray for rain to nourish the crops, please ask that the gospel of Jesus Christ will reach and nourish the hearts and minds of the people of Fond-des-Blancs and its surrounding communities.
