

WSBC welcomes both the “scattered” and the “gathered” church to remain connected and active. Thank you for your complete cooperation, patience and grace given as you personally prepare to gather at WSBC each week.

**What to expect at WSBC.**

As a result of the pandemic (COVID-19), it is necessary to make some changes in how we are used to gathering for worship. We must be intentional in providing reasonable guidelines and precautions for the good of your neighbors who attend and participate in our worship services. As such:

- Please monitor your (and your family members’) **health and temperature** and sanitize your hands before attending an on-site WSBC worship service.
- **Please stay home** - if you are sick, if you (or any family member) have a fever, if you have recently tested positive for COVID-19 with or without symptoms, or if you have had any close contact with a person who has been confirmed, suspected or is symptomatic of COVID-19.
- Plan to **arrive early** on Sunday mornings as doors will open 20 minutes before service times. (Service times are 9 and 11AM).
- Please **wear your own mask** while at WSBC.
- Please observe and maintain all **social distancing (6 feet)**, in the sanctuary *but also while coming and going*. Please, distance 6 feet from others, refrain from handshakes and hugs, avoid fellowshiping in hallways and the narthex, and minimize touching all surfaces.
- Help us accommodate both services. Please, do not linger in the sanctuary or narthex. **Fellowship with friends and family outside the building** along 45<sup>th</sup> Street and then walk around the church to the parking lot, bank or wherever you parked your vehicle.

## JAY AND BELLA CURTIS

[jay@fvchristianaction.org](mailto:jay@fvchristianaction.org)

God is blessing the work of Fox Valley Christian Action (FVCA) and we are so grateful for your continued partnership and support in ministry. This summer was very different for us. Due to Covid, we had to completely change our summer program, but God used this as an opportunity to serve families in our communities in new ways.

We were able to provide families from our communities with a short get-away on our campus with all of their meals and activities included. It was a new and beautiful opportunity for us to see the families experiencing camp together. We were also able to provide our middle school and high school students with two packed weeks of leadership programming in a day camp format. For the younger kids we put together FVCA PACKS: duffle bags filled with arts & crafts supplies, a new sleeping bag, snacks and all kinds of materials to go along with a Gospel presentation and activities that kids could do with online video instructions. By God's grace, and with the help of hundreds of volunteers, we assembled and individually delivered packs to 927 kids in our communities.

This fall we are again adapting our programs to the current environment. We will be resuming our weekly Teen Night Together (TNT) program in about two weeks. We are not able to provide kids clubs in the public schools with Crossroads and our church partners as we have in recent years. Instead we are going to concentrate on providing family activities on our campus for families from our communities and also providing some additional encouragement and support for the young kids.

Please join us in praying for God's leading and provision as we serve kids and families in new ways this fall and winter. We saw God move in amazing ways this summer as we adapted to the current circumstances and we trust that he will do it again this fall and winter.
