

WSBC welcomes both the “scattered” and the “gathered” church to remain connected and active. Thank you for your complete cooperation, patience and grace given as you personally prepare to gather at WSBC each week.

What to expect at WSBC.

As a result of the pandemic (COVID-19), it is necessary to make some changes in how we are used to gathering for worship. We must be intentional in providing reasonable guidelines and precautions for the good of your neighbors who attend and participate in our worship services. As such:

- Please monitor your (and your family members’) **health and temperature** and sanitize your hands before attending an on-site WSBC worship service.
- **Please stay home** - if you are sick, if you (or any family member) have a fever, if you have recently tested positive for COVID-19 with or without symptoms, or if you have had any close contact with a person who has been confirmed, suspected or is symptomatic of COVID-19.
- Plan to **arrive early** on Sunday mornings as doors will open 20 minutes before service times. (Service times are 9 and 11AM).
- Please **wear your own mask** while at WSBC.
- Please observe and maintain all **social distancing (6 feet)**, in the sanctuary *but also while coming and going*. Please, distance 6 feet from others, refrain from handshakes and hugs, avoid fellowshiping in hallways and the narthex, and minimize touching all surfaces.
- Help us accommodate both services. Please, do not linger in the sanctuary or narthex. **Fellowship with friends and family outside the building** along 45th Street and then walk around the church to the parking lot, bank or wherever you parked your vehicle.

Bread For The Soul
Isaiah 55

A life devoted to the things of this world will always disappoint, but a life devoted to Christ will bring satisfaction.

God gives the satisfaction of a soul that is fed.

God gives the satisfaction of sins that are forgiven.

God gives the satisfaction of a heart that is filled.

MISSION FOCUS

HISPANIC BIBLE SCHOOL Professor Elimelec Cordero, president

We do praise our Lord as he had given our school the opportunity to prepare many leaders and pastors for his kingdom amid the current time. We are a few weeks past the fall midterm. Even though we had seen a drop in students registered, we have the blessing to serve many others. We praise our Lord for giving us the tool to offer all our courses online through Learning Management System (LMS). As with many other educational institutions across the country, eLearning had been a great challenge for us. Our main concern is the returning of our students back to the building for next semester with eLearning.

The following are some of the prayer requests from our personnel prayers meeting. We pray:

- that HBS can open its facilities next semester to all our students and do face-to-face teaching. We are currently developing this plan. Please help us pray for this plan.
- for the HBS students as they continue studying online. Some of them are facing financial or health challenges.
- that every and each student can complete their courses this semester.
- for the HBS faculty and the challenge of teaching online.
- for men and women in our local churches who suffers discrimination due to their skin color, country of origin, language, etc.
- for those without access to the health system amidst this pandemic.
- for HBS donors as they confront limited resources.
- for the HBS Board of Trustees as they had to make financial and administration decisions to adjust according to this present time.

We are very honored and grateful for your constant support through prayer and offering. On behalf of HBS, thanks.
