

Years of superficial ministry has resulted in Christianity that spreads rapidly but doesn't make a difference in how people live: "a mile wide and an inch deep." André, executive director of **More than a Mile Deep** (MMD), guides MMD leaders to identify issues faced by believers, determine ministry skills needed, and develop seminary-level courses, as well as non-formal, extension training courses. The non-formal, extension courses of MMD Global are especially attractive for rural pastors who have neither the time nor the finances for traditional residential study courses.

"Developing leaders in Africa should not be just passing on knowledge. It is giving practical skills and training leaders to know how to integrate spiritual, social and economic transformation of the whole person." Dr. André Chitlango

In addition, Andre serves as senior pastor of Maputo International Christian Fellowship and President of the Baptist Union of Mozambique. Angelica has a vibrant discipleship and training ministry with women and in local hospitals in Maputo. You can learn more from their daughter, Jenny, a WSBC attender!

Please pray

- for the ministry of MMD, that God will guide leaders to develop practical and effective courses.
- that the growth of the church may be maintained and the believers become a wholesome leaven in a society that is morally bankrupt and where life is cheap and short.
- for the Chitlango family, that they will maintain a close walk with Jesus and follow the leading of the Holy Spirit.
- for the church in Mozambique as they respond to the reality of 700,000 internally displaced people, and the nearly 1,000,000 people who are facing severe hunger.

This year as we begin to take steps out of the pandemic we will join Moses and God's people as they cross on dry ground when God split the Red Sea into the wilderness. God never

abandoned His people as He guided and provided for them by giving the water to drink, food to eat, and rules to follow. It's an Incredible Journey!

SERMON NOTES

Together in Christ's Work **Ephesians 6:18-24**

We must be drawn together as a church because we are together in Christ's work.

1. We will be drawn together when we recognize our need for prayer.
2. We will be drawn together when we develop hearts that care.
3. We will be drawn together when we comprehend the blessings we share.
