SERMON NOTES

The Apostle's Prayer
Philippians 1:3-11

Chris & Rebecca Hirt

Dear WSBC church family and friends, We serve in Chiang Mai, Thailand with Wycliffe Bible Translators using our skills of computer technology and counseling ministries to support and propel Bible translation in Asia and around the world. We have served in Thailand for 11 years and praise God for what he has done and is doing. A New Testament for a

people group in Cambodia has just been completed!

Please pray for the Thai church, they are small but are being used to minister during this very challenging time. Pray for growth and perseverance.

Please pray for missionaries in our community and beyond. Many are tired and weary due to ever changing rules and regulations around Covid, most are overdue to see family and be refreshed.

Please pray for vaccine availability, currently there are no clear good options for us at this time.

Please pray for our family as we face potentially another school year of online learning and uncertainty of lockdowns.

We thank God for the chance our family could get away on vacation during a narrow window of time when restrictions were less.

We thank God for health and safety over this past year and that we could return to Thailand when we did, nearly a year ago. Many have still not been able to return.

If you would like to keep up with us check out our website: www.hirtfamily.net/partner

Thank you WSBC for your love and support. May God bless you as you serve him by loving those around you, Chris and Becca Hirt
